

Learn About the Amazing Health Benefits of Essential Oils.

Join us for an essential oils class with speaker Brian McKeever (MPT, ATC, CEAS) the first and third Thursday of the month at 5:30 pm.

Brian has worked in the field of health and wellness for over 27 years. He has worked at the corporate level with companies such as Campbell's Soup, Blue Diamond Almonds, Southwest Airlines, and with the Intel Corporation. He owned and operated McKeever Physical Therapy in Folsom for 13 years and currently owns a Physical Therapy Center and Wellness Center in Wilmington, North Carolina just a few miles from Wrightsville Beach. In the past 6 years, Brian has traveled the country teaching professional seminars for Physical Therapists, Occupational Therapists, MD's, Massage Therapists and many other healthcare professionals teaching a comprehensive approach for the treatment of musculoskeletal pain and dysfunction and teaches how incorporating essential oils into their practices can significantly improve outcomes. Last year, Brian was chosen by the USGA Wellness Committee as the Physical Therapist for one of professional golf's most prestigious events, the 2014 US Open.

Don't miss this opportunity to hear Brian give you his real world experience and tell you how he successfully implemented the use of oils in his clinic, his personal life, and also helped to implement the use of essential oils in local healthcare facilities in his hometown of Wilmington.
